WIRE  
TIE  
(x1)

### POSITIONING THE SENSOR

#### MAGNET MOUNTING

Place the back of the sensor onto a steel surface.

To place this on a non-steel surface, place the magnet mount on the other side of the mounting wall.

#### SUCTION MOUNTING

Screw the suction cup mount to the back of the sensor.

The suction cup is not recommended for use on wet surfaces.

For a secure hold, make sure the surface is smooth, clean, and dry before application.

## BEFORE USE

Remove the probe sleeve before use.

## CONNECT TO YOUR CONTROLLER

Plug your sensor into a sensor port.

Only one water sensor may be used per controller at a time. Use sensor splitters (sold separately) to pair additional ones.

## PROGRAMMING

Visit our website at [www.acinfinity.com](http://www.acinfinity.com) or refer to your controller's manual to learn how to program our controllers.

This Water Sensor is only compatible with specific controller models. Please visit our website for more information.

To set up automations and alerts, download the app.
